

Congratulations

Welcome to The Landmark London - the perfect venue for your happy day. Originally built in 1899 during the golden age of steam, the hotel is a unique combination of Victorian grandeur and the 21st Century. The hotel still retains the resplendence of Gothic architecture; stained glass windows, beautiful wall murals and original working fireplaces. Awarded 'Best Hotel in London' three times in the last six years, and with a civil marriage licence, you can rely on us to create a magical and memorable wedding day; whether a grand affair or an intimate party, you will be supported by your own Wedding Specialist who can help organise your day with efficiency and ease.
